

Family Feud

Rules: Try to identify the four most popular answers for each of the following rounds. Players will give answers in each round in hopes that they will say one of the top four answers. Each of the top four answers is worth a set amount of points. Players will collect points for every top four answer they guess correctly. The player with the most points wins the game!

Answers are on page 2.

Round 1: Name a sound you would hear a lot of at the beach.

Round 2: Name something people do in the water at a lake.

Round 3: Name something you might find in a pond that you would hate to find in your swimming pool.
