FITNESS CLASS DESCRIPTIONS!

ZUMBA

Mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party! Once the Latin and World rhythms take over, you'll see why!

TRX

The TRX Suspension Training is a form of suspension that uses body weight exercises to develop strength, balance, flexibility and core stability simultaneously.

HIIT

This High Intensity Interval Training (HIIT) class is a highly effective workout that combines full-body strength training with high intensity cardio bursts.

PIYO

This class is a blend of Pilates and Yoga. The Pilates part strengthens and tones the body, while the Yoga part promotes mindfulness and relaxation. As such, PIYO provides a total mind-body workout.

SPIN

This class is a combination of fast-paced cycling and strategic lighter rest intervals to get you recovered for the next burst. It's an amazing, challenging way to get incredibly fit. All it takes is pushing through those first sessions as they are always the hardest. Once you do, don't be surprised if you find yourself addicted.

PERSONAL TRAINING

Whether you want to work out as a group, with a friend, or one on one, our trainers work with our patrons' schedules and assist them in having a healthy and fit lifestyle!
(Business cards and Bios located in the front lobby of Fitness Centers)
